Meka Egwuekwe
Hiring Manager, CodeCrew
88 Union Ave.
Memphis, TN 38103

Dear Mr. Egwuekwe,

This letter is to express my interest in your posting on LinkedIn for an Entry-Level Software Developer. With hands-on experience using .Net languages to create and implement software applications, I am confident I will be an asset to your CodeCrew.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and the success of your organization.

Your listed requirements closely match my background and skills. A few I would like to highlight that would enable me to contribute to your bottom line are:

- Highly skilled in designing, testing, and developing software
- Thorough understanding of data structures and algorithms
- Knowledgeable of back-end development best practices
- Hands-on software troubleshooting experience

My qualifications for the position include a basic knowledge of Python, Java, SQL, as well as certification in JavaScript.

I've attached a copy of my resume that details my projects and experience in software development. I thank you for your time and hopefully look forward to discussing my qualification skills with you further. It would be a pleasure to discuss the potential for a great partnership.

Sincerely,

Caleb Canada
